

CENG-199 CONTRACT

NAME: _____ CLASS LEVEL: _____

CURRENT GPA: _____ (To qualify GPA must be 3.0 or higher)

Brief description of proposed research project:

(Attach additional sheet if necessary)

Courses taken in preparation for research project:

The student understands that they are undertaking this project without the guarantee that they will receive technical elective credits. Student must petition for such credit after having completed the two-quarter project. A final, graded report must be signed by the faculty advisor and submitted along with the petition for evaluation by the Chair of the Undergraduate Affairs Committee. The success of the petition will be dependent on the quality of the research and final report as determined by the CENG 199 advisor and the Chair of the Undergraduate Affairs Committee.

Signature below acknowledges that the student understands the procedures for obtaining technical elective credit. Failure to follow these procedures may result in the student receiving no technical elective credit.
